

Specialisation for Engineering Programs

Graduate Diploma in Engineering

1. Interior Decoration
2. Ceramic Engineering
3. IT Engineering
4. Metallurgy Engineering
5. Textile Engineering
6. Agriculture Engineering
7. Fashion Engineering
8. Instrumentation and Control
9. Production Engineering
10. Environmental Engineering
11. Dairy Technology

Bachelor in Engineering

1. Information Technology
2. Food Technology
3. Industrial Engineering
4. Metallurgical Engineering
5. Textile Engineering
6. Agriculture Engineering
7. Mechatronics
8. Instrumentation
9. Production Engineering
10. Environmental Engineering
11. Dairy Technology

Master in Engineering

1. Aerodynamics
2. Combustion
3. Process Automation
4. Production Engineering
5. Power & Energy Engineering
6. Mechatronics Engineering
7. Quality Management
8. Digital Manufacturing
9. Turbomachinery
10. Process Design
11. Fire Safety Engineering
12. Structural Engineering
13. Thermal Engineering
14. Hydraulic and Water Resources
15. Manufacturing Management
16. Microelectronics
